what we offer

The fitness suite

We believe our fitness suite to be one of the best equipped in the area, fitted out with Technogym equipment that is exceptionally user-friendly. There are over 40 work stations meaning that you will nearly always be able to access the equipment you want, when you want.

Our induction process is thorough; providing an initial fitness assessment, a machinery induction and optional programme writing service. All of which means that whether you're an old-hand or a gym newcomer you will be confident of yourself in the gym environment and be able to get the most out of your time here.

The pool

Our pool is a 25 metre long, 4-lane pool kept at a comfortable 30°C (86°F). Alongside the pool, and included in any pool use, is our sauna cabin which provides an excellent means to unwind and relieve the stress of day-to-day life. The pool is open for early-morning sessions twice weekly, daily for lunchtime swimming and open each evening for general swimming.

In addition to general swimming sessions we also offer children's swimming lessons catering for abilities from the non-swimmer through to brushing up strokes ready for entry into a swim club environment. Our adult and child lifesaving lessons are also an ideal way to improve water safety awareness and learn vital first aid and rescue techniques.

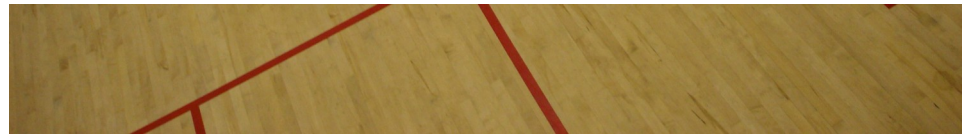

what we offer

Racquet sports

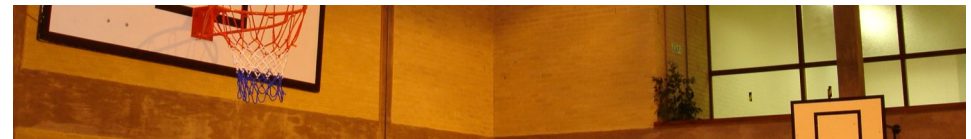

If you wish to use any of our racquet court spaces we operate a 24 hour advance booking period. Don't worry if you don't own the right racquet for the right sport - we have racquets for each sport available for you to borrow at no charge. For racquet sports enthusiasts or those who fancy trying their hand at something new the Leisure Club offers:

- Squash
- Racketball
- Badminton
- Short tennis
- Table tennis
- Tennis (hard-court)

Team sports

Our multi-purpose hall can be booked by members for team sports, such as basketball or 5 a-side football. Not everyone you bring along needs to be a member but guest fees will apply to any non-members who are playing. Equipment such as balls and team bibs are available to borrow.

Outdoor spaces

In addition to the indoor activities we also offer a couple of outdoor spaces. Our 5 a-side kick-about area or Rounders pitch are ideal for spring and summer evenings when it's just too nice to be stuck indoors - invite the guys and girls from the office and get stuck in!

Membership choices

There are a number of ways that you can use the Leisure Club from pay-monthly options to casual pay-as-you-play or even an annual all inclusive fee. Over these two pages we've detailed for you how each membership type works, what it entitles you to and most importantly how much it costs.

Pay monthly options are offered in two ways. One is to sign a 12 month initial agreement and the other is a more flexible month-to-month option that allows you to opt out at any time should your circumstances change.*

In all cases Adults are classed as individuals over the age of 16, a Couple is defined as two people living at the same address and Concessions are classed as individuals over the age of 60 or 16 years+ and in full-time education.

Administration fees are applicable to new members of any scheme and are currently as follows: Adults £20, Couples and Families £25.
